### NET PRICE CALCULATOR

The Higher Education Opportunity Act (HEOA) signed into law on August 14, 2008 includes several new reporting and disclosure requirements. One of those requirements is that every institution of higher education installs a Net Price Calculator on its Website by October 29, 2011.

The purpose of the Net Price Calculator is “to help current and prospective students, families and other consumers estimate the individual net price of an institution of higher education for a student. The calculator shall be developed in a manner that enables current or prospective student’s individual net price at a particular institution.” P/L/ 110-315, sec 132 (h) (1).
