## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completed the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification or employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completed an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

### **Definitions – (Continued)**

- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## STUDENT'S RIGHT TO CANCEL

New students have the right to cancel the enrollment agreement including any equipment such as books, materials, and supplies offered in the enrollment agreement, if notice of cancellation is made within seven (7) calendar days (excluding holidays) of enrollment or by the seventh (7th) calendar day following the scheduled program start date, whichever is later. Students can submit this written notice by mail, hand delivery, or email.

The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the enrollment agreement. If the student cancels the enrollment agreement, the College will not charge institutional charges; however, the College retains the nonrefundable fees and may charge for equipment not returned in a timely manner or in new condition.

- a. Cancellation Prior to the Start of Class or No Show: If an applicant accepted by the College cancels prior to the start of scheduled classes or never attends class (no-show), the College will refund all monies paid. The College will retain an additional \$300 when students are recruited from outside the United States or its territories and possess a visa or the equivalent to enter the country for study.
- b. Cancellation After the Start of Class: If the student withdraws from the program after the period allowed for cancellation of the agreement the College will calculate whether a refund of tuition, fees, books, or supplies is due for period of enrollment. Earned charges are calculated by dividing the number of calendar days completed by the total number of calendar days in the payment period. The College will remit any required refund within 45 days following the withdrawal. For students receiving funds through the Federal Student Aid program, unearned funds will be returned to the lenders in the order required under Federal Law. For non-federal student financial aid program funds, the institutional/California state refund policy shall be a pro-rata refund of funds paid for institutional charges.
- c. Rejection of Applicant: If an applicant is rejected for enrollment, or if a prospective international student has his or her visa application rejected, a full refund of all tuition monies paid will be made to the applicant except nonrefundable application fee.
