## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT'S RIGHT TO CANCEL**

New students have the right to cancel the enrollment agreement including any equipment such as books, materials, and supplies offered in the enrollment agreement, if notice of cancellation is made within seven (7) calendar days (excluding holidays) of enrollment or by the seventh (7th) calendar day following the scheduled program start date, whichever is later. Students can submit this written notice by mail, hand delivery, or email. Cancellation shall occur when the student gives a verbal or written notice of cancellation to the school. The notice of cancellation need not take a particular form and, however expressed, is effective if it indicates the student's desire not to be bound by the agreement.

**Cancellation After the Start of Class (Optional Student Trial Period):** All monies paid by an applicant shall be refunded, if requested within seven (7) days after signing an enrollment agreement and making an initial payment. If the agreement is cancelled, within the allowable time noted above, the school shall refund within forty-five (45) days any consideration paid by the student, less a ***Non-Refundable*** Registration fee of seventy-five dollars and the (***Non-Refundable***) Student Tuition Recovery Fund fee, if applicable. If the school gave the student any books and supplies, the student shall return the books and supplies within seven (7) days following the notice of cancellation.

The following applies regarding refund of books and supplies: \*If the student does not return books and supplies within the seven (7) day period, the cost of these books and supplies will not be refunded. These books and supplies will then automatically become the property of the student and the student will have no further financial obligation. \* If the student returns the books and supplies in good condition within the seven (7) day period, the student will receive a refund for the cost of books and supplies. Books and supplies returned in good condition means that these items are not marked or damaged. \* The cost of books and supplies does not include the cost of the two sets of uniforms given to the student by the school. The cost of these two sets of uniforms is included in the tuition price.

**Cancellation Prior to the Start of Class or No Show:** If an applicant accepted by the College cancels prior to the start of scheduled classes or never attends class (no-show), the College will refund all monies paid. The College will retain an additional **\$175.00** for an international student, who is recruited outside of the United States or its territories, receives an I-20 from the institution, enters the country, and subsequently cancels prior to the start of class or is a no-show.

**Program Cancellation:** If a program is cancelled subsequent to a student's enrollment and before instruction in the program has begun, the school will provide a full refund of all monies paid.

**School Closure:** If the school closes subsequent to a student's enrollment and before instruction in the program has begun, the school shall provide a full refund of all money paid.
